Final Countdown for eCommerce

WHAT YOU NEED TO KNOW

Mary Kay's NEW eCommerce platform experience is launching soon, and now is the time to ensure you are ready to hit the ground running on Dec. 17!

If you haven't already, it is highly recommended that you spend as much time as possible on the [Connect Hub](#) to become more familiar with the new platform using tutorial videos, educational documents, FAQs and the other two *What You Need to Know* documents. These educational resources are full of useful information that can help prepare you and your Mary Kay business for the changes soon to come.

ESTABLISH YOUR ONLINE PRESENCE WITH YOUR MARY KAY SHOP

On Dec. 17, you will manage your online Mary Kay business through your new Shop instead of your former Mary Kay® Personal Web Site. Now is the time to customize your Shop and truly make it your own, so your customers can learn about you, understand your expertise with Mary Kay® products and view pictures that show off who you are! If you haven't set up your Shop yet, be sure to start working on your personal I-story now so you have time to make it shine!

PREPARING YOUR CUSTOMERS

Starting on Dec. 17, customers who visit your online Shop should have a seamless experience. However, your registered customers will not be able to use their current passwords. Be sure to reach out to your customers to let them know that they will need to **reset their account passwords** once your new online Shop launches. Registered customers will also be prompted to reset their passwords when they visit your Shop.

As an additional step to keep your customers' information safe and secure, they will no longer be able to save their credit card information when visiting your online Shop.

GUIDING NEW TEAM MEMBERS

Early December is always a good time to recruit new team members, and that's true this year too! From Dec. 1 – 16, **PLEASE CONTINUE** bringing new Independent Beauty Consultants onto your teams. **While any new sales force member starting her business in December will need to wait until Dec. 17 to launch her online Shop**, the days leading up to that date are still the perfect time to get her as prepared as possible to start selling.

During this time, you can help her:

- Input her SSN or ITIN information in her Mary Kay InTouch® account profile.
- Update her Shop profile so it's customized to the new Beauty Consultant's liking (if she has a Mary Kay® Personal Web Site).
- Ensure she understands the Great Start® program.
- Help her decide when to schedule her Grand Opening party.

If a new Beauty Consultant wants to start selling online immediately, she will need to sign up for a Mary Kay® Personal Web Site **and** a ProPay account. She should also create and personalize her online Shop with Stripe as the payment processor. Starting on Dec. 17, she can sell exclusively through her online Shop.

REMINDER: If a Beauty Consultant is not active as of Dec. 15, her cumulative orders up until that point will determine her tiered discount for the rest of the month. This goes for all Beauty Consultants, not just new ones.

MARY KAY.

HOLIDAY STRATEGY TO-DO LIST

DECEMBER

- Continue to hold virtual or in-person beauty experiences, skin care parties and open houses.
- Sell through your giftables and holiday products. Carry products with you throughout the month; you will be surprised at how many people you will sell to as you are out and about.
- Offer holiday-themed beauty experiences and skin care parties. For example: You could offer your customers a holiday makeover party where they can invite some of their friends and get ready together before a festive night out.
- Review your customers' holiday wish lists, and connect with those buying gifts for them.
- Book New Year, New You! makeovers for January to keep your holiday momentum going into the new year.
- As always, thank everyone who purchased from you this holiday season by sending them a thank-you message. This is a great way to follow up with your customers and to ask if there is anything else you can help them with. You can also include a link to the *Mary Kay*® Interactive Catalog in your thank-you message to see if there are any more holiday products that catch their eyes.
- This is also a good time to ask them if starting a Mary Kay business can fit into their lives.

HOLIDAY TIPS:

- Follow up on all husbands and men! They are beginning to get serious.
- Book shopping coffees.
- Have gifts with you at all times - in your car - in a basket that you carry - at all appointments and re-orders.
- Help people think about stocking stuffers and last minute gifts.
- RECRUIT! Still time to get gifts at cost, take advantage of tax benefits & prepare for an exciting new year of opportunity!

QUICK IDEAS

Make your Holiday a success by using your time wisely!
Got a few extra minutes? Do one of the following:

DURING REGULAR HOURS

- Schedule guests for meetings. Make sure to earn while you learn!
- Call and follow up on Wish Lists. Remind Santa that you would love to offer your service and that you know what she likes.
- Call your customers and ask about their personal needs as well as gifts. They get caught up in the excitement and forget to call you and order too!
- Make 3 Phone Calls. Follow up with a prospective hostess, prospective recruit, husband, or customer to make a sale.

AFTER-HOURS PAPERWORK

- Prepare gift certificates, postcards, gift product tags, etc.
- Follow up on Open House invitees who didn't attend.
- Check your PCP & referral list to make sure you have followed up with everyone.
- Follow up with all prospective businesses you sent letters to, to see if they need any last minute gift ideas.
- Check over your calendar and see when you can schedule virtual classes, trunk shows, etc. Make sure to highlight them so that they are easy to see when booking and don't get filled by other things.
- Make notes of what products you need to order. Don't forget to shop for your own personal holiday needs.
- Send an email to customers reminding them to think of you for their holiday needs.
- Make a list of husbands, friends and others whom you have not yet approached for a holiday gift idea or look.

PRODUCTS

- See what extra products you have on your shelf. Set aside any that aren't selling to wrap later.
- Wrap any extra, discontinued or "quick sale" products. If they're wrapped, people will buy them just because they are pretty!
- Straighten your bags & freshen your demo products. Make sure you are ready for your next virtual class.
- Wrap gifts. Keep it simple and use easy-to-find wrappings. You never know when you might get an order for 100! Put together stocking stuffers or gift baskets.

STAY INFORMED

- Check out the Mary Kay Website for what's new, glamour techniques and to get excited!
- Read your newsletter or Applause. Look through The Look book for inspiring ideas.

**Could YOU get excited about an extra
\$500, \$1000, \$2500 this holiday season?**

I don't know if I'm the "sales" type...

**I have never sold
anything before.**

*I can teach you to do exactly
what to do. You can learn
and then teach others.*

I think I'm too shy.

*Many others have said that, then
they learned that the training classes
build confidence. I think Mary Kay
is the best self-improvement course
available!*

**I'm afraid to stand up
in front of people.**

*Your first few classes are
usually in front of family and
friends - it's much less stressful.*

I don't wear make-up.

*Absolutely no problem. Mary
Kay is not about makeup;
it is about skin care. I don't
know anyone who isn't
interested in good skin care.
Our color cosmetics line is
just the "icing on the cake!"*

I hate parties!

*Isn't it great that we have skin
care classes and that we
limit our attendance to six
people? That way, we can give
each person the attention
they deserve!*

**I don't want to
obligate my friends.**

*You'll find that once your
friends try the products, they
will thank you for sharing them.
There are many reasons that
Mary Kay is the Best Selling
Brand of Facial Skin Care and
Color Cosmetics on the market
today. Your friends will love the
special attention you give them.*

*There are no born sales people. Wouldn't
you agree that, after the proper training, you
could present our products? With the best-selling
brand and a 100% satisfaction guarantee, you can
see that the purchase follows naturally.*
